### **February Service Project**

Echo Elementary and the youth group will be teaming up for a service project at the end of February. We're asking the congregation to support us in donating fleece for tie blankets and gloves for kids. We will be assembling the blankets and collecting the gloves to give to Lucas County Children services, who have identified both as a current need. There will be a labeled bin in the foyer for donations. Thank you in advance!

### **Worship Schedule**

We are currently meeting in person at 10am on Sunday mornings. However, masks must be worn over nose and mouth while in the building and the Elders have asked that people keep the entrances and exits clear so people can social distance. Jr. Worship will again be available to have children dropped off at the life center and picked up there on the way out.

The Sunday worship service will be Broadcast at 10 am on the church's YouTube channel:
