The Law of LOVE  
Dr. Mitchell was impressing upon us that we are not under the Law when we're in Christ, but we're under a new law -- the law of LOVE. He used this to illustrate: In America there is a law stating a woman must take care of her child. So, a man comes to a new mother's home. He says "Are you taking care of your baby? The Law says you have to." The woman, tenderly holding her baby, said, "I don't need a law to make me take care of my baby." Why? Because she loves her baby! She feeds him, holds him, changes him because she loves him. I no longer need the Law because I'm under Christ -- a law of LOVE

LOVING Your Neighbor  
In his book Mere Christianity, C.S. Lewis wrote, "Do not waste your time bothering whether you 'love' your neighbor act as if you did. As soon as we do this, we find one of the great secrets. When you are behaving as if you loved someone, you will presently come to love him. If you injure someone you dislike, you will find yourself disliking him more. If you do him a good turn, you will find yourself disliking him less."
