

WELCOME VISITORS We're happy to have you visiting with us today and hope that you will come again! Please fill out a visitor's card and pass it to the right so that we'll have a record of your attendance.

CONTRIBUTION STATEMENTS Your 2016 contribution statements are on the white table in the foyer ready for pick up. If you have questions about your statement, please see Pam Smith. As a reminder: for the statements to be correct, you need to write your offering amount on the envelope along with your name.

FEEDING THE TEENS There is a new sign-up sheet on the teen bulletin board in the lobby if you are able to provide dinner for them after their devo on Sunday nights. Also, if you would like to donate money to feed them, you can give money to AJ for this.

ECHO ELEMENTARY BULLETIN There is a new bulletin available each week for kids grades Kindergarten thru 5th. Once the bulletin is completed, they can turn it back in to Ben or Haley and receive a treat. We also need kid volunteers to pass these out each week: See Haley.

PANTRY NEEDS Our pantry is in need of the following items: pancake mix, pancake syrup, jello, pork and beans, and stove top stuffing. Thank you in advance!

Everybody is Doing It!

Once a spider built a beautiful web in an old house. He kept it clean and shiny so that flies would patronize it. The minute he got a "customer" he would clean up on him so the other flies would not get suspicious. Then one day this fairly intelligent fly came buzzing by the clean spider web. Old man spider called out, "Come in and sit." But the fairly intelligent fly said, "No, sir. I don't see other flies in your house, and I am not going in alone!"

He saw on the floor below a large crowd of flies dancing around on a piece of brown paper. He was delighted! He was not afraid if lots of flies were doing it. So, he came in for a landing. Just before he landed, a bee zoomed by, saying, "Don't land there, stupid! That's flypaper!" But the intelligent fly shouted back, "Don't be silly. Those flies are dancing. There's a big crowd there. Everybody's doing it. That many flies can't be wrong!" *He died on the spot. Some of us want to be with the crowd too badly that we end up in a mess. What does it profit a fly (or a person) if he escapes the web only to end up in the glue?*
